

## AUDITION FAQ'S

### Audition Checklist:

- Complete online application by Oct. 4<sup>th</sup>
- Turn in Audition Form (completed by performer) with 'headshot' photo to your school office by Oct. 4<sup>th</sup>
- Your child should practice the short song portion from the show ([sheet music is on pages 3-4 of this document; mp3 of song is on the Play website](#)). They don't need to memorize it---though that is a good idea, as it may help them feel more comfortable. They'll have the song sheet and music to sing with at the audition. They don't need to be nervous...just relax and do their best!
- Have your child dress in comfortable clothes and appropriate shoes (sneakers/dance shoes) for each audition.
- Attend **one** of the **Mandatory Parent Meetings**: **Wednesday Oct. 11<sup>th</sup> 5:30pm** at Van Meter **OR** **Thursday Oct. 12<sup>th</sup> 5pm** at Daves **OR** **Saturday, Oct. 14<sup>th</sup> 12pm** @ Blossom Hill
- Read the "New to the Play", "Parent Responsibilities", and "Audition Details" on the website

***Each child should attend 4 audition sessions:*** *Readings/Vocals(2); Dance; and Final Auditions*  
***They will learn songs and dances that will be in the actual show, so the audition time will be used like a rehearsal. The artistic staff will be watching throughout the audition sessions, to best assign kids their roles.***  
If your child can't make their assigned audition times/dates below, please have them attend the other time for that type of audition.

## **Audition Questions**

### ***What happens at auditions?***

The director, choreographers, and vocal director want to get a general idea of each child's abilities in order to place them in an appropriate role. Your child may prepare the short song bit from the show (sheet music is on page 3 of this document; mp3 recording of song is on play website). Each child will also learn a dance and small speaking scene during the audition process. The directing team will watch and listen to the children over the audition period (4 auditions per child) and make their casting decisions based on their observations.

### ***What should students bring to auditions?***

Your child doesn't need to bring anything to the audition. They should have had a snack and restroom break prior to arriving. They must wear comfortable clothes and dance shoes or sneakers to auditions. Long hair must be tied back.

### ***Are parents or family members allowed to watch the auditions/rehearsals?***

Parents are *not* allowed to observe *auditions*.

Parents may watch *rehearsals* while volunteering as rehearsal supervisors.

### ***When and where will the cast list be posted?***

The cast list will be posted on the play website Sunday evening, Oct. 15<sup>th</sup>.
