

### 3. Wind Medley

#### Summer Wind

The summer wind came blowin' in  
 across the sea  
 It lingered there, to touch your hair  
 and walk with me  
 All summer long we sang a song  
 and strolled the golden sand  
 Two sweethearts and the summer wind

Like painted kites, the days and nights  
 went flyin' by  
 The world was new  
 beneath a blue umbrella sky  
 Then softer than a piper man,  
 one day it called to you  
 I lost you to the summer wind

The autumn wind,  
 and the winter winds  
 have come and gone  
 And still the days,  
 those lonely days, go on and on  
 And guess who sighs his lullabies  
 through nights that never end

My fickle friend, the summer wind  
 The summer wind  
 The summer wind  
 The summer wind

#### They Call the Wind Mariah

Away out here they've got a name  
 For wind and rain and fire  
 The rain is Tess, the fire is Joe,  
 And they call the wind Mariah

**Mariah** blows the stars around  
 And sends the clouds a'flyin'  
**Mariah** makes the mountains sound  
 Like folks are up there dying

#### Mariah, Mariah

They call the wind Mariah

Out here they got a name for rain  
 For wind and fire only

But when you're lost and all alone  
 There ain't no word but lonely

#### Colors of the Wind

You **think** you own whatever **land** you land on  
 The **earth** is just a dead thing you can **claim**  
 But I **know** every rock and **tree** and creature  
 Has a **life**, has a spirit, has a **name**

You **think** the only people who are **people**  
 Are the **people** who look and **think** like you  
 But if you **walk** the footsteps of a **stranger**  
 You'll learn **things** you **never** **knew**, you **never** **knew**

Have you ever **heard** the **wolf** cry  
 to the **blue** corn **moon**  
 Or asked the **grinning** bobcat why he **grins**  
 Can you **sing** with all the **voices**  
 of the **mountains**  
 Can you **paint** with all the **colors** of the **wind**  
 Can you **paint** with all the **colors** of the **wind**

Come run the hidden pine trails of the forest  
 Come taste the sun sweet berries of the Earth  
 Come roll in all the riches all around you  
 And for once, never wonder what they're worth

The rainstorm and the river are my brothers  
 The heron and the otter are my friends  
 And we are all connected to each other  
 In a circle, in a hoop that never ends

How **high** does the sycamore **grow**  
 If you cut it **down**, then you'll never **know**  
 And you'll never **hear** the **wolf** cry  
 to the **blue** corn **moon**  
 For whether we are **white** or copper **skinned**  
 We need to **sing** with all the **voices**  
 of the **mountains**  
 We need to **paint** with all the **colors** of the **wind**  
 You can own the **Earth** and still  
 All you'll own is **Earth** until  
 You can **paint** with all the **colors** of the **wind**
