

6. Snow Medley

Snowbird

Beneath this snowy mantle cold and clean
 The unborn grass lies waiting
 for its coat to turn to green
 The snowbird sings the song he always sings
 And speaks to me of flowers that
 will bloom again in spring

When I was young my heart was young then too
 Anything that it would tell me
 that's the thing that I would do
 But now I feel such emptiness within
 For the thing that I want most in life
 is the thing that I can't win

So, spread your tiny wings and fly away
 And take the snow back with you
 where it came from on that day
 The one I love forever is untrue
 And if I could you know that
 I would fly away with you

The breeze along the river seems to say
 That he'll only break my heart again
 should I decide to stay
 So little snowbird take me with you,
 when you go
 To the land of gentle breezes
 where the peaceful waters flow

Spread your tiny wings and fly away
 And take the snow back with you
 where it came from on that day
 The one I love forever is untrue
 And if I could you know that
 I would fly away with you
 If I could you know that
 I would fly away with you
 If I could you know that
 I would fly away with you

Let it Snow

Oh the weather outside is frightful
 But the fire is so delightful
 And since we've no place to go
 Let it snow let it snow let it snow

It doesn't show signs of stoppin'
 And I brought some corn for poppin'
 The lights are turned way down low
 Let it snow let it snow let it snow
 When we finally say good night

6. Snow Medley

How I hate going out in the storm
But if you really hold me tight
All the way home I'll be warm

The fire is slowly dyin'
And my dear we're still good-bye-in'
as long as you love me so
Let it snow let it snow let it snow

When we finally say good night
How I hate going out in the storm
But if you really hold me tight
All the way home I'll be warm

The fire is slowly dyin'
And my dear we're still good-bye-in'
But as long as you love me so
Let it snow let it snow let it snow
Let it snow let it snow let it snow
Let it snow let it snow let it snow

Snow!

It won't be long before we'll all be there with snow
Snow, snow I want to wash my hands,
my face and hair with snow
Snow – I long to clear a path a lift a spade of snow
Snow, snow – to see a great big
man entirely made of snow

Snow - Where it's snowing all winter through
that's where I want to be
Snowball throwing that's what I'll do
How I'm longing to ski

Through the snow – those glist'ning houses
that seem to be built of snow
Snow – Oh, to see a mountain covered
with a quilt of snow

What is winter with no snow
No white winter with no snow

I'll soon be there with snow
I'll wash my hair with snow
And with a spade of snow
I'll build a man that's made of snow
I'd love to stay up with you but
I recommend a little shuteye
Go to sleep and dream of
Snow, snow, snow, snow, snow
