

Green Medley

Green Door

Midnight one more night without sleepin'
Watchin' 'til the mornin'
comes creepin'
Green door
what's that secret you're keepin'?

M on palm, sign for night/ right hand bent, fingers brush down cheek
V fingers from eye forward pointing at audience
flat left palm up, right palm down, wiggles across
shake G hand
K hands bump

There's an old piano
And they play it hot
Behind the green door
Don't know what they're doin'
But they laugh a lot
Behind the green door
Wish they'd let me in
So I could find out
What's behind the green door

Knocked once
Tried to tell 'em I've been there
Door slammed
Hospitality's thin there
Wonder just what's goin' on in there

right hand knocks on left palm/1
index finger from chin forward/point across body
flat palms up, left forward, right slams next to it
5 hands face chest, wiggle fingers, swipe to shoulders/point across body
index at temple, draw circle/point across body

Saw an eyeball peepin'
Through a smoky cloud
Behind the green door
When I said Joe sent me
Someone laughed out loud
Behind the green door
All I want to do is join the happy crowd
Behind the green door

The Unicorn Song

There were green alligators
and long-necked geese
Some humpty-backed camels
and some chimpanzees
Some cats and rats
and elephants,
but sure as you're born
But the loveliest of all
was the unicorn

shake G hand/ extended arms, claws bite
snap thumb and forefinger under chin
C hand draws hump
C hands scratch front of shoulders
thumb and forefinger pull whisker/ R finger taps side of nose
right flat palm from nose up and out (trunk)
flat palms, right behind, right slides under and arcs forward
5 hand in front of face to O at chin, pop open
right index from forehead forward

A long time ago,
when the earth was green
And there were more kinds of animals
than you've ever seen
They'd run around free
while the earth was being born
But the loveliest of all
was the unicorn

point to watch
shake G hand
thumbs up at chest, scratch
V fingers from eye forward pointing at audience
fists cross at chest, pull apart
flat palms, right behind, right slides under and arcs forward
5 hand in front of face to O at chin, pop open
right index from forehead forward

green alligators
and long-necked geese
Some humpty-backed camels
and some chimpanzees
Some cats and rats
