

Dear Blossom Hill Families,

The 2019/2020 School Year is right around the corner, and it is going to be an exciting one. Welcome to all new and returning families! My name is Jennifer Shapiro, and I am pleased and honored to be your Home & School Club President this year. The Home & School Club is a non-profit organization that supports the students, teachers, administrators, and families at our school. We are so fortunate to attend an incredible school where all members of our school community work tirelessly for our children.

There are two key components where we need your help to continue to keep Blossom Hill one of the top schools in the area - your donations and your time. Our largest fundraiser of the year is One Check. Your One Check donation covers many programs and expenses, including back-to-school student supplies, technology (Chromebooks and iPads), student enrichment (library, Project Cornerstone, Mileage Club, The Swarm), community involvement (Harvest Festival, Safe Routes to School, Movie Night), and so much more. I encourage everyone to donate today at the level at which you are comfortable. Don't forget to get your matching donations if your employer offers it. [One Check - Click to Donate Now.](#)

There are many and varied volunteer opportunities throughout the year at Blossom Hill. There is something for everyone. You can learn more about these wonderful opportunities for you to personally enrich your child's educational experience by attending the Welcome Coffee and Volunteer Fair on Thursday, August 15th in the MPR as well as Back to School Night on Thursday, August 22nd. Also, check out our website at hsc.blossomhill.org, our Facebook page at facebook.com/BHHSC or contact volunteers@blossomhill.org.

I am excited to start another amazing school year and am looking forward to sharing it with everyone in the Blossom Hill community.

Fondly,

Jennifer Shapiro

Blossom Hill Home & School Club President 2019/2020
